

*Washington, DC* - Rep. John Hall (NY-19) is calling for a classified briefing on how the attempted Times Square bomber was able to board an international flight, despite his name being posted on the “No Fly” list. Congressman Hall is a member of the House Transportation and Infrastructure Subcommittee on Aviation, which oversees airline security issues. In a letter to Subcommittee Chairman Rep. Jerry Costello (Illinois-12), Hall says he shares his constituents’ outrage that Mr. Faisal Shahzad was able to board a plane bound for Dubai. Citing security concerns, Hall asks for a classified briefing by the appropriate security agencies. [View the text of the letter](#) .
